RE: Request for Donation

Dear Mayor DiTullio;

Please accept this letter on behalf of the Women's Basketball program and Coach Heather McAdams as a request for a donation to help fund the women's basketball program this year.

Coach McAdams and her staff have 26 girls, two managers and a former graduate playing or assisting her in running three levels of competition this year. Her Varsity team has a record of 11 wins and 5 losses so far this year and hopes to be a force in the upcoming playoffs.

We have many expenses associated with running a program at a level that represents Wheat Ridge in the manner you would expect. Since the economy has had an effect on the amount of public contributions we have received this year we are asking if you would consider donating to our program.

Thank you for your consideration in this matter. Any contribution you could make to our program on behalf of your office would be greatly appreciated by our entire organization.

Should you have any questions please contact the undersigned at 720-233-8050.

Thanks again!
