# Preserve the Greenbelt!

The planting day was a success! Thank you to the students, their teacher Jerry DiTullio, and the volunteers.

On April 17, 2014 students from Wheat Ridge High School's Career Exploration Class planted over 60 new trees in the Greenbelt.

For more information on the Preserve the Greenbelt project, or to become a volunteer Tree Steward, please contact IES at 303-388-5211, [solutions@i4es.org](mailto:solutions@i4es.org), or

[www.i4es.org](http://www.i4es.org)!
